

Forest Dance Academy

Performance Sponsorship Form

Forest Dance Academy is comprised of a group of girls and boys ages 2 to 72 or thereabouts.

Our dancers come from many various community schools in Bedford, Forest, Lynchburg and the surrounding counties. Each year we produce Broadway style productions for the Lynchburg community and the Friends and Families of FDA. In addition, we have a Performance Company of dancers ages 8-18 who attend and participate in several regional dance competitions and conventions as well as travel to nationals every other year with many of our dancers who are studying to continue their education in the art of dance as they prepare for their futures. We, as young artists of dance, are raising funds to help offset the many costs involved with dance activities such as costuming, shoes and tights, as well as competition and convention entry fees and we could really use your support.

This year's performances will certainly be a wonderful theatrical experience, and we hope that as you follow your sponsored dancer you will see continued growth from year to year. With a donation, your name or business can be listed among our contributors in our program on a page reserved for our local sponsors or patrons.
